MEMORANDUM FOR: Distribution List

SUBJECT: Mensuration Parameter File for KH-4B Missions

25X1D

1. Effective with Mission ☐ and subsequent KH-4B missions, the "Mensuration Parameter File" will be disseminated to designated addressees. This publication will replace the NPIC Technical Publication "Frame Ephemeris and Camera Orientation Data" previously disseminated for KH-4 missions.

2. All data that was included in the "Frame Ephemeris" plus additional items will be contained in subject publication.

3. A glossary of definitions will be included with each copy.

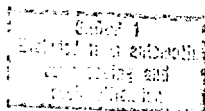

25X1A

☐  
Chief, Research and Reference Division,  
PSG
